No. I sent them option of having a section with Carnival of Love to introduce engine or have a table with flier for a later date. At no time was the park offered to them. I have sent the options and am expecting an answer soon. Will update you when I receive it.

Linda,
Does this mean the art center workshop will be happening on 1/25 along with the Carnival in San Julian Park? If so, we need a permit for the event.

Happy new year!

Thanks all for your assistance in planning the January 25, 2020 Engine Company 23 Arts Center Charette/Workshop. This email includes the most up-to-date details for the event.

The event will be one event from 11AM-2PM (rather than 2 events during the same time period). Proposed activities and timeline are:

11:00 am - 1:15 pm

Arts Activities in 2 - 3 Areas - cartooning, drawing, painting, visioning boards using images created, and used at community meetings; Demonstration/Performances on Stage showcasing string instruments (including guitar), piano keyboards, dance (folklorico, hip hop, maybe tap).

1:15 pm - 2:00 pm

Lunch (DCA will provide lunch).

Action Items:

- CD14 will provide tables, chairs, canopies, and porta-potties.
- DCA will provide lunch.
- CD14 will work with RAP to thoroughly clean the park and ensure that the local community/park users are notified of the event on 1/25.
- CD14 will work with Sanitation to remove trash from in front of Engine Company 23.
- CD14 will work with Street Services/DOT and to do a lane closure around the park for vendor parking.
- CD14 will send out invites as will DCA.

We would like to schedule an all hands meeting on-site the week of January 13, 2020. I'll send out the following calendar holds. Please confirm which times work for you.

- 1/16/20 - 11:30AM - 12:30PM
- 1/16/20 - 1PM - 2PM
- 1/16/20 - 2PM-3PM
- 1/17/20 - 3PM - 4PM

I'll be out of the office from 1/6-1/10 and will confirm the meeting date on January 13.

Thanks,
Daniel
